

MEALS TO GO

DINNER IS COVERED: NEW TAKE HOME ENTREES

The transition to our hybrid schedule can be hectic.

Luckily, AVI has you covered when it comes to lunch... and now dinner!

Team members expressed interest in a take-home option from AVI and we heard you!

Starting April 18, look for new packaged entrees in the grab and go coolers at both 985 and 985 cafés. Watch for potential new offerings coming soon.
