DINING PLAN BASICS

All Dining Plans come with five **guest meals** for students to use in Van Houten to treat a friend, family member, guest to a meal. Students can also choose to use them on themselves.

Meal Exchanges are predetermined meal combinations that may be purchased in exchange for a meal swipe. Meal Exchanges may be used on select menu items at retail dining locations.

Meal Equivalency is a \$7.50 balance that can be put toward the total of your food and beverage purchases. Additional order balances can be paid with Dine or Shop Dollars, or Credit. Meal Equivalencies can be used at all campus dining retail locations.

Dine Dollars are additional spending dollars that come with your Dining Plan. These can be used to make purchases at all campus dining and vending locations.
