

ECOBBOX

IN CAMPUS DINING AT SARAH LAWRENCE COLLEGE

1

Sarah Lawrence Bates Dining Hall will have take-out Eco Boxes available. Please see cashier for details and to enter into the program.

2

Feel free to grab food from various stations throughout the dining hall.

Guidelines regarding the take out Eco Box program:

- ***We ask that you please be respectful to other students dining as not to take too much food from one particular station.***
- ***If you choose to utilize an Eco Box for a meal, you cannot dine inside the dining commons for that meal.***
- ***Outside containers are not permitted to be used.***
- ***Only one container permitted per student, per meal.***

3

Upon your return to the dining hall, please give your dirty Eco Box to a cashier. The cashier will take your dirty box and exchange it for either a clean box or a carabiner clip. ****Due to sanitary reasons, we cannot permit boxes to be reused without going through our cleaning process.***

Please note: If you forget or lose your Eco Box or carabiner clip, you will need to pay \$5.00 deposit to obtain a new one.
