

# ORDERING GUIDELINES

DIY Catering is a program that offers a pick up catering option. It is an inexpensive way to enjoy a snack at a meeting, throw a party or simply reward your group! All items are packaged in bulk. However, this cannot be used in conjunction with any other catering guide.

A 72-hour advanced notice helps us to prepare and package your selections. If you need a rush order, please consult with our catering staff for choices that may better accommodate your urgency.

The prices in this booklet are for pick-up only. Orders can be placed by contacting our Catering Department at 419.448.3450 or via email at [tiffinfoodservice@avifoodsystems.com](mailto:tiffinfoodservice@avifoodsystems.com)

You are responsible for transporting the orders, as well as any equipment needed. Paper products are included in every order. If needed, additional paper products are available for purchase.

## FOOD SAFETY

### Facts for Food

Bacteria grows most rapidly in the Danger Zone. The danger zones are temperatures between 40°F and 140°F. It's key to keep foods out of this temperature range. Always be sure to refrigerate foods quickly! Refrigerate or freeze perishables, prepared foods and leftovers within two hours of purchase.
